Note.—Contn. Sheet

Subject: Sanction of allotment of site to Dalitha Vidyarthi Nilaya, Narasimharaja Mohalla Mysore.

Flag 'A' Sri N.Rachiah, B.A., B.L., Member of the House of the People wrote a letter on 29-7-1955 to the Chief Minister of Mysore, Bangalore, with a copy to the Education Minister as regards the grant of site No Dalitha Vidyarthi Nilaya" Narasimharaja Mohalla, Mysore

The Education Minister was pleased to direct that Flag 'B' the connected file may be put up. The Chief Minister Flag 'A' was pleased to order that a reply may be sent to Sri Rachiah. A reply to Sri N.Rachiah intimating him the circumstances that led to the refusal of a site to Dalitha Vidyarthi Nilaya" was put up. When the draft letter was under submission to the Secretary, Education and Local Self-Government Department, the matter relating to the grant of land to "Dalitha Vidyarthi Nilaya" Flag 'D' of the linked file came before the Assembly (Please see question No.134- put by Sri B.T.Kemparaj, Bangalore-South Scheduled castes) As the matter came up before the Assembly reply was not sent to Sri N.Rachah. In the meanwhile Page(6) Flag. C, the Minister for Communications, Government of India, New Delhi addressed the Chief Minister in his letter dated 24-9-1955. The Chief Minister was pleased to order that the file may be put up. As this file was linked up in connection with the Assembly Question, it was not possible to put up the file.

Since no reply was sent to Sri N.Rachiah, he has Page(2) sent a reminder and the Secretary Education and L.S.G. is pleased to direct to submit the file with a note. Hence a detailed note on the subject is put up as noted below:-

Please see Flag 'K' of the linked file references put up. The Chairman, City Improvement Trust Board, Mysore, sent up proposals in August 1954 with a reso

tion of the Mysore City Improvement Trust Board to grant, free of cost, a site measuring 200' x $\frac{250 + 160}{2}$ in N.Narasimharaja Mohalla, Mysore to the "Dalitha Vidyarthi Nilaya" for the construction of the Vidyarthi Nilaya, in the light of the representation made by the President of the Institution for the grant of a site. As seen from the letter of the President there are 26 boys of the Institution and the number of which is likely to increase to 100 in the near future. According to the report of the President* of the Institution the Institution has got funds to the extent of Rs.1,000/- only for its maintenance and he has stated that he would approach Government for building grant for the construction of the Hostel after the site is sanctioned.

*Flag 'L' of the ~~linked~~ file. ~~reference~~ put up.

The following are the remarks of the Secretary to to Government, Education and Local Self-Government Departments on the proposals made

Flag 'M' of ~~the linked~~ file. ~~reference~~ put up.

'I agree with Sri G.V.K.Rao in his noting at Para 3. We should be sure of free grants materialising in a proper manner to the benefit of the grantees. In this case the Organisation has just Rs.1,000/- in its account. It wants to build a hostel for 50 students. That would cost somewhere in the order of at least Rs.50,000/- and more. The Organisation wants to rely on Grants-in-aid from the Education Department. Most probably aid will come from that source but only to half the limit of the required finances. The organisation has to find at least Rs.25,000/- as its share. Even Rs 1,000/- it now has, is meant for maintenance.

Free grant may be promised if the Organisation were to collect Rs.25,000/- at least and then apply for the site through the Mysore Trust Board. Otherwise the free grant of a site would be not proper.

Flag 'M' reverse of the ~~Link file~~ reference file.

The Minister for Public Health and Local Self-Government was pleased to order as follows:-

"Sanction has been accorded for the construction of a building for a Depressed Classes Student Hostel in Mysore City at an estimated cost of Rs.two lakhs. The building is designed to accommodate more than 100 Depressed Class Students. There is no need to construct another hostel for them at Mysore. Further, it is seen from the letter of the President, Dalitha Vidarthi Nilaya, Mysore that the Nilaya has no funds of its own and the grant of a spacious site in a prominent locality in Mysore serves no purpose.

In the light of the above orders, the Chairman, City Improvement Trust Board, Mysore was informed accordingly. Vide letter No.L.205/ITB.12-55-2 dated 11-4-1955.

Flag 'N' of the ~~linked file~~. reference file.

Government have sanctioned a plot of land to the Adikarnataka Abhivridhi Sangha for the construction of a Adikarnataka Hostel (consisting of two plots - measuring about 250' x 216 and 270' x 300') with certain modifications

Flag 'X' and 'Y' of the collection ITB. 6-52, 10, 11 and etc.,

Sanction has been accorded to the construction of a Depressed Class Hostel at Mysore City with an allotment of Rs.1,45,000/- during 1954-55. The balance required ~~xxxxx~~ for completion of the building is proposed to be allotted during the current year. The hostel is under construction.

Since sanction has been accorded for the construction of a big hostel to accommodate more than 100 Depressed Class students, it was considered that the grant of a separate site in a prominent locality in Mysore to Dalitha Vidyarthi Nilaya which has no funds of its own, serves no purpose and the request of the President

President, Dalitha Vidyarthi Nilaya for the grant of a site was therefore not complied with.

A statement showing sites allotted for constructions of hostels to several institutions in Bangalore city is enclosed.

Sir,

Re:- Sanction of allotment of site to the "Dalitha Vidyarthi Nilaya N.R. Mohalla Mysore".

In continuation of my personal request to your good self on 4th May 1955 in Delhi regarding the above subject I wish to bring to your kind notice that the above hostel was started on 29.6.54 as a Depressed Classes hostel thrown open to all castes candidates. This is not a communal hostel and it is run as a model hostel. On our representation and after seeing to the best satisfactory working of the hostel, the Minister of Education, Govt. of Mysore, was kind enough to sanction Boarding grant at the rate of Rs. 12/- per month per boarder for 26 boarders, establishment charges, and the house rent of Rs. 50/- p.m. I, as the President of the Hostel, have expressed in writing our gratitude on behalf of the Managing Committee of the Hostel, to the Minister of Education.

Being satisfied with the progress of the hostel, the City Improvement Trust Board, Mysore, allotted a site by an unanimous resolution. The resolution was submitted for the approval of the L.S.G. Minister, Government of Mysore. But I regret to submit to you that to our surprise the allotment of the said site measure 250' x 200' was cancelled by way of not approving the resolution passed unanimously by the Board vide G.O. No.L.205/ITB.12-55-2 dated 11-4-1955 under the plea that a sum of Rs. 2 lakhs has been already sanctioned for the construction of a building for the Depressed Classes students designed to accommodate more than 100 students. In this connection I wish to bring to your kind notice that there are more than five Harijan Hostels belonging to two or three sub-castes of the Harijan community in Mysore city and as such one building is not sufficient. Besides there is an instance where there is no Harijan Hostel in Mysore city still a site has been allotted by the Government. There is another instance where the L.S.G. Minister has sanctioned a site without the resolution of the Board to the Harijan hostel for which a

sum of Rs. 2 lakhs has been sanctioned as building grnat and the building is about to be completed and the hostel being run by non-Congress people. I also hear that the L.S.G. Minister has cancelled the allotment of a site to Bovi (Voddar) Hostel in Mysore city under the plea that the organisation which is running the hostel is not registered.

So the orders of the L.S.G. Minister, Govt. of Mysore, sanctioning a site and building grant to one hostel belonging to one sub-caste and cancelling the sites allotted to other castes of the Scheduled Castes show to prove and make us feel that the L.S.G. Minister who is a Harijan Minister does not want the progress of all sub-castes of the Scheduled Castes except his own.

In the circumstances I firmly feel that the attitude of the L.S.G. Minister towards the sub-castes of Scheduled Castes is not in consonance with the principles of democracy and ideals of Congress.

I, therefore, wish to make my humble appeal as the President of the hostel referred to above to your good self to be generous enough to undo the injustice by the L.S.G. Minister and accord justice to the Dalitha Vidyarthi Nilaya Mysore by way of sanctioning the site allotted by the Mysore City Improvement Board and cancelled by the L.S.G. Minister and thus bless the said hostel of the poor students with your usual sympathy.

I may also add that the residents of the said hostel are all Seva Dal volunteers and they were the first batch to receive our Indian Republic President during his recent visit to Mysore.

Sub: Grant of site to Dalitha Vidyarthi Nilaya, Mysore.

Dear Sir,

In continuation of my previous letter on the subject I wish to bring to your kind notice that the above hostel is a non-communal hostel. There are 32 boarders in the hostel at present. The Education Minister has sanctioned boarding grant for 26 boarders last year. All the boarders are Sewa Dal volunteers. The hostel is going on as a model hostel. The City Improvement Trust Board, Mysore has allotted a site near the hostel in an unanimous resolution. But I regret to bring to your kind notice that the Local Self Government Minister, Mysore has been unkind enough to cancel the allotment of the site to the above Harijan hostel. I feel this is an injustice done by the Hon. Minister. Therefore, I request you to be good enough to sanction the site as allotted by the Trust Board and thus give your generous encouragement to the above poor educational institute.

Thanking you,

January 6, 1956.

My dear Shri Jagjivan Ram,

After receiving your letter No.MC/2460/55 dated 29th September 1955, regarding the allotment of a site to the Dalitha Vidyarthi Nilaya, N.R.Mohalla, Mysore, I called for the connected papers and examined the matter.

The City Improvement Trust Board, Mysore sent up proposals in August 1954 to grant, free of cost, a site in Narasimharaja Mohalla, Mysore to the Dalitha Vidyarthi Nilaya. The records disclose that there were only 26 boys of the Institution and that the Institution had collected funds only to the extent of Rs.1,000/- for maintenance and had no funds for putting up the building. The State Government have sanctioned construction of a Hostel building in Mysore City at an estimated cost of Rs.2,00,000/- for Depressed Class students. This building will accommodate more than 100 students. In view of this and in view of the fact that the "Dalitha Vidyarthi Nilaya" had no funds of its own to construct a building, it was felt that the grant of a site to the Nilaya would serve no useful purpose. I am sure you will agree with me that it is more advantageous to construct these Hostels in places where there is real need for them, than in places where the existing facilities are adequate.

Yours sincerely,

Sir,

I am directed to

state that the City Improvement

Trust Board Mysore sent up

proposals in August 1954 to grant,

free of cost, a site in Narasimha-

raja Mohalla Mysore to the Dalitha

Vidyarthi Nilaya. ~~The records disclose~~ The facts

disclosed that there were in

~~that area~~ only 26 boys of the

~~institution~~ in

Harijan and that the

P.T.O

G

had collected funds only to the extent of Rs 1000/- for maintenance and had no funds for putting up the Building.

Therefore Sanction has been accorded for the construction of a Hostel Building in Mysore city at an estimated cost of Rs 2 lakhs for Depressed class students. This building will accommodate more than 100 students. In view of this and in view of the fact that the "Dalitha Vidyarthi Nilaya" had no funds of its own to construct a building, it was felt that the grant of a site to the Nilaya would serve no useful purpose.

Yours truly

Subject: Sanction of allotment of site to the "Dalitha Vidyarthi Nilaya, Narasimharaja Mohalla, Mysore,"

My dear Shri Jagjivan Ram,

After receiving your letter No:MC/2460/55 dated 29th September 1955, regarding the allotment of a site to the Dalitha Vidyarthi Nilaya, N.R.Mohalla, Mysore, I called for the connected papers and examined the matter.

~~It is no doubt true that~~ The City Improvement Trust Board, Mysore sent up proposals in August 1954 to grant, free of cost, a site in Narasimharaja Mohalla, Mysore to the Dalitha Vidyarthi Nilaya. The records disclose that there were only 26 boys of the Institution and that the Institution had collected funds only to the extent of Rs. 1,000/- for maintenance and had no funds for putting up the building. The State Government have sanctioned construction of a Hostel building for Depressed Class students at an estimated cost of Rs. 2,00,000/-. This building will accommodate more than ~~100~~ students. In view of this and in view of the fact that the "Dalitha Vidyarthi Nilaya" had no funds of its own to construct a building, it was felt that the grant of a site to the Nilaya would serve no useful purpose. I am sure you will agree with me that it is more advantageous to construct these Hostels in places where there is real need for them, than ~~to take up~~ in places where the existing facilities are adequate.

Yours sincerely,

(K. Hanumanthaiya)
